

INSTRUCTIONS FOR THE FINANCIAL STATEMENT

An I-20 can only be issued after proof of sufficient funding and all admission criteria have been met. You must have at least the total minimum specified available to you in order to be issued an I-20. All sources must be liquid, that is, available as needed. I-20 funding amounts are not invoices, but rather an estimated cost of program fees and living expenses for a given period of time. At this time, I-20s will only be issued for applicants applying to programs beginning Summer 2021 or later.

Acceptable types of funding include:

- Bank Statement (self) - Must list your full name as the account holder.
- Bank statement (other) - Must list the full name of the person who will be sponsoring your education in the US and also include a Statement of Financial Support endorsed by your sponsor.
- Letter from Financial Institute - Must list the full name of the account holder, and contain an official signature, stamp, or seal.
- Proof of scholarship or government sponsorship - must be on letterhead including the full name of student and official signature, stamp, or seal.

Not acceptable types of funding include:

- Documents older than six months from time of application
- Income statements
- Funds not immediately accessible
- Life insurance statements
- Pension/Retirement funds
- Tax Returns

All listed amounts are for the current academic year and subject to future change. Professional certificates taken through the University Credit Program may vary in time necessary to complete due to course availability and scheduling conflicts. Please contact IEP_Application@ucx.ucr.edu regarding the latest information on availability, cost, time estimates, and general questions.
