BRING THE BEST OF AI TO YOUR CLASSROOM

Specialized Study Program in AI in K-12 Education

Artificial Intelligence is reshaping education, and teachers are on the front lines. The Specialized Study Program in AI in K-12 Education equips educators and district personnel with leading-edge knowledge and strategies to use AI effectively, ethically, and responsibly in their classrooms.

Through practical, hands-on training, you'll explore AI tools that boost engagement, streamline planning, and personalize learning for students. This program also empowers you to teach digital citizenship by helping students understand both the possibilities and limitations of AI.

Designed with new state requirements in mind, this program ensures you're ready to meet evolving standards while preparing your students for the future.

WHAT YOU'LL LEARN

Integrate AI tools to boost student engagement and outcomes

Design lessons that encourage collaboration and critical thinking

Guide students in safe, ethical, and effective AI use

Understand and explain AI's limitations and biases

Establish classroom policies to promote digital citizenship

TOTAL UNITS 6	**TUITION** $1,090
COMPLETION TIME 6 months	**FORMAT** Online

BENEFITS OF EARNING A CERTIFICATE

There are several reasons why, Bachelor's degree in hand, you might be considering continuing your studies. An upgraded education section on your resume can open the door to a new career, or, if you're already working, lead to a promotion and a higher salary. While you're working, going back to school is an excellent way to stay current in rapidly changing fields, or, if you've been away from the workforce for a while, to quickly get caught up in the latest trends, concepts, and advances.

While there are as many paths to follow, as there are reasons to follow them when approaching continuing education, there is enormous value in terms of time, financial investment, and personal flexibility while gaining practical training from working professionals in your industry that extends beyond the theory of the classroom and into the real world.

KEY BENEFITS INCLUDE:

- UC quality curriculum
- Professional endorsements
- Schedule flexibility
- Variety of courses and programs
- Instruction from professional leaders in the industry

PAY AS YOU GO

Pay per individual course as you register.

COURSE TUITION RANGE
$545 PER COURSE
