

# MAKE KNOWLEDGE PRODUCTIVE

## POSTGRADUATE DIPLOMA WITH INTERNSHIP IN MANAGEMENT

### WHAT YOU'LL LEARN

- Develop a global understanding of human resources, marketing, finance, and other key business functions.
- Build foundational knowledge in core management principles and effective workplace leadership.
- Apply strategies in global negotiation, competitive advantage, and high-level decision-making.
- Use skills gained through coursework and a required internship to prepare for a career in management.

**Broaden your experience in general management and prepare for career success in today's global business environment.** This full-time program focuses on current business management practices and strategies and is taught by expert instructors.

Study combines lectures and interactive discussions with case studies and site visits to Southern California corporations and other places of professional interest. You'll network with professionals from around the world while gaining maximum exposure to American business practices.

A required professional development course prepares you for the third-quarter internship by strengthening your career readiness skills. You'll study management fundamentals, select a specialty area—human resources, accounting, or project management—and apply your learning during an internship with a U.S. organization.
