All courses and certificate programs offered by UC Riverside University Extension have been developed and are administrated in accordance with Extension policy and the regulation of the Academic Senate of the University of California.

Admission, UC Riverside

Participating in a UC Riverside University Extension educational program does not in itself provide preference in admission to the University of California degree programs. The requirements and guidelines for certificate programs may allow substitution or transfer courses.

Attendance Policy

UC Riverside University Extension does not have an attendance policy. Attendance requirements are up to the discretion of each course instructor.

Progress Policy

- A. The school's grading system for each class is below (see UC Riverside Extension's website for further information):

Extension Grading System:

1. A -excellent
2. B -good
3. C -fair
4. D -barely passed
5. F -not passed (may be raised to a passing grade only by repeating the course)
6. I -incomplete

Pluses and minuses may also be recorded.

- B. All courses must be taken and completed for a letter grade of "C" or better or "B" or better, depending on the certificate program you are enrolled in. (See certificate information on web at <https://extension.ucr.edu/> for specific grade requirements.)
- C. The law requires that all students receiving Veterans Education Benefits make satisfactory progress toward the completion of their stated training objective. The following policy applies to all students receiving Veterans Education Benefits, and to students receiving any other type of financial assistance requiring Satisfactory Academic Progress.

Minimum Standard:

To meet UCR University Extension SAP standards, all students must maintain a cumulative and term grade point average (GPA) of at least 2.0 on a 4.0 scale. Additionally, those students receiving financial assistance must be enrolled in a minimum of six (6) units for a minimum of two (2) terms per calendar year.

VA funded students are responsible for notifying the VA Representatives immediately of any action affecting their enrollment status - whether a class has been enrolled in or dropped. Failure to do so may result in termination of benefits. Satisfactory progress toward the stated student objective must be maintained. A veteran student on academic or lack of progress probation status will be disqualified when his/her grade point average (GPA) falls below 2.0 for two consecutive quarters.

Conduct Policy

Students shall at all times when on the classroom premises conduct themselves in an orderly and considerate manner, shall appear for classes in a sober and receptive condition, and shall adhere to UC Riverside Extension's Standards of Student Conduct. Violation of these standards is just cause for dismissal.

Reimbursement to Veterans and Eligible Persons

For information or for resolution of specific payment problems, the veteran should call the Veterans Administration Regional Office in the area of residence. For Education Services in the Southern Region call 1-888-442-4551.

Withdrawal Policy

All withdrawal requests must be submitted in writing to Student Services. It is the student's responsibility to request withdrawal from a course. If you do not request withdrawal, you will receive a grade based on the work completed. This may result in a poor or failing grade. Please note that withdrawal requests must be submitted during the first 75% of a course and that a separate refund policy may apply. Withdrawal requests submitted within the first 25% of the course will not appear on your transcript.

- Withdrawal requests submitted within the first 25% of the course will not appear on your transcript.
- Withdrawal requests submitted after the first 25% but within the first 75% will receive a grade of W.
- After the first 75% of the class you will receive the grade earned.
- Only one withdrawal per course is permitted.

Retaking a Course

If you failed a required course or did not receive the minimum grade considered “passing” (for example, you received a C- in the course but need a C or better to actually receive credit), the VA will pay for you to repeat the course. They will not pay for repeated courses in order to boost GPA or to get a better grade (if you passed the course). The VA will not cover any repeat course fees if you are charged one.

Refund Policies

Full refunds are automatically processed for courses which have been cancelled or discontinued. All other refund requests must be in writing. Include your full name, course information (title, course number, registration code), and a statement that you are wanting to drop the course. Unless otherwise noted in the course description, refunds will be granted based on the following criteria:

- All refunds are subject to a \$30 drop fee.
- A refund will be granted only if the request is received, in writing, at least 2 days prior to the start of the course.
- No refunds will be granted if the request is made less than 2 days prior to the start date of the course.
- Students withdrawing from their domestic prepaid program prior to the completion of program requirements are subject to a \$30 drop fee per course not enrolled/completed, that is associated with their prepaid program
